DETAILED ACTION

Reasons of Allowance

1. The following is an examiner's statement of reasons for allowance: claims 1 and 5-13 are allowable over the prior art of record for the reasons as stated that none of the prior art of record teaches or fairly suggests that interactive voice response for prepaid wireless service comprises the SCP commands the Intelligent Peripheral to play one or more of the IVR messages in accordance with a prompt level selection received from a customer of the prepaid customers, the prompt level selection specifying at least one of a message frequency or a message content for the one or more messages, the prompt level selection including at least a first option specifying a maximum number of prompts and a second option specifying a minimum number of prompts, the first option causing the customer to hear a series of announcements when the customer originates a call, and providing the customer with an option of listening to the series of announcements every time the customer receives an incoming call, and the second option causing the customer to hear one or more announcements if an account balance associated with the customer falls below a predetermined level, wherein the predetermined level is defined with reference to at least one of a monetary amount or an amount of time, and together with combination of other element as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
